SUBJECT: COUNTY COUNSEL ANALYSIS – CHAFFEY COMMUNITY COLLEGE DISTRICT
REGULAR ELECTION ON NOVEMBER 6, 2018

Measure "___" is submitted to the voters by the Governing Board of the Chaffey Community College District ("District"). A "yes" vote by at least fifty-five percent (55%) of the voters voting on this measure will authorize the District to issue bonds to benefit the District in the amount of seven hundred million dollars (\$700,000,000). If less than fifty five percent (55%) of the voters voting on this measure vote yes, the District will not be authorized to issue and sell the \$700,000,000 in bonds set forth in the measure.

The bond proceeds may only be used to upgrade vocational, science, and computer technology in classrooms and labs, fund the repair of deteriorating classrooms, roofs, gas, electrical, and sewer lines; to remove asbestos and lead paint; and to improve veterans' resources. The proceeds may not be used for any other purpose, including administrator salaries or pensions, and other school operating expenses.

The District will conduct financial and performance audits annually and will appoint a citizens' oversight committee to ensure that bond proceeds are spent only on the school facility projects listed in the measure.

The bonded debt will be a general obligation of the District and will be financed by property taxes levied annually on taxable property located within the District in an amount necessary to pay the annual debt obligation.

The above statement is an impartial analysis of Measure "___". If you desire a copy of Measure "___", please call the Chaffey Community College District at (909)652-6102 and a copy will be mailed at no cost to you.
